WATERS & STANTON

## MFJ-403P

### CW Travel Keyer

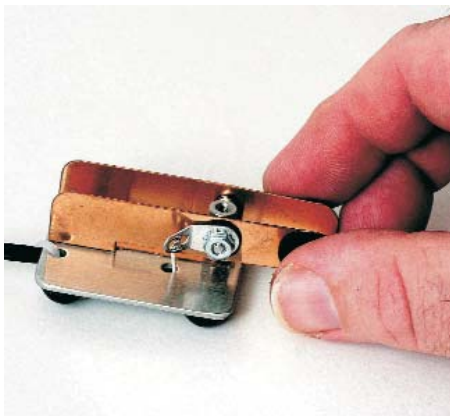

The MFJ-403P is a fully featured micro lambic keyer. Its ultra-compact size makes it perfect for travelling or for home use with QRP rigs such as the Yaesu FT-817 or one of the MFJ Cub series of transceivers. The keyer has thumbwheel speed control 3-65 WPM, reversable paddle, adjustable weighting control, adjustable sidetone with speaker, iambic modes A or B and fully automatic or semi-auto "bug" mode. Operates from a 9V PP3. Size 57 x 95 x 25.4mm.

**Order As MFJ-403P CW Travel Keyer**

## MFJ-561

### Miniature Iambic Paddle Key

The MFJ-561 miniature, lightweight lambic paddle key is the perfect companion for QRP rigs, such as the FT-817. The paddle is precision formed from special phosphor bronze spring material. Mounted on a rugged metal base with four non-skid rubber feet. Comes complete with a 1.5m lead and 3.5mm plug.

**Order As MFJ-561 Miniature Iambic Paddle Key**
